# PREMIUM BEEF, ELK & BUFFALO JERKY

## GARY WEST ORIGINAL

The original recipes and still the best sellers! Grandpa Fred West adapted jerky recipes for wild game starting with a traditional brown sugar cure. Premium beef, hand-cut and subtle hardwood smoke flavors.

## CERTIFIED ANGUS BEEF®

All four original recipes, married with premium choice-grade Certified Angus Beef®. Superior marbling enhances the savory flavors and absorbs more rich smoke. Sweeter and more tender than our original.

## WILD GAME®

Natural bison from Nevada and South Dakota, elk from Colorado. Earthy and rich flavors, extraordinarily lean at just .5 to 1% fat. Delicious in Original Recipe or Silver Fork Natural.

## SILVER FORK NATURAL®

Our newest brand is all-natural and cured without nitrites. The result is a sweet and subtle flavor reminiscent of molasses. The beef is Food Alliance Certified from Five Dot Ranch. Silver Fork is also available in bison, elk, and organics, grass-fed beef.

## OUR ANIMALS

Family ranchers, from Five Dot Ranch in California to the Durham Ranch in Wyoming, raise our humanely-treated, naturally-raised animals. Whether beef, bison or elk, the animals have been raised on open-range grass, and treated humanely and respectfully. Relaxed, healthy animals raised on natural feed produce the finest flavors.

## CERTIFICATIONS

- Gary West Original, Certified Natural
- Wild Game® Bison, Holistic Management®
  - Wild Game® Elk, Certified Natural
- Silver Fork Natural®, Food Alliance Certified Beef

## ABOUT GARY WEST

The recipes have been in the family since before we opened our first shop in 1966. We draw from simple, local ingredients: family ranchers raising animals on grass and hay; natural beef, with no hormones, steroids or antibiotics. We use only premium inside top rounds. We cut, strip and marinate for tenderness, then carefully smoke over a mix of hickory and Rogue Valley pear wood. Everything is done by hand—we use no shortcuts.
